

Documentation „Get started with Linux Foundation Certification“ for Academic Partners

Date: December 9, 2016

Step 1: Requesting and creating a Linux Foundation Account

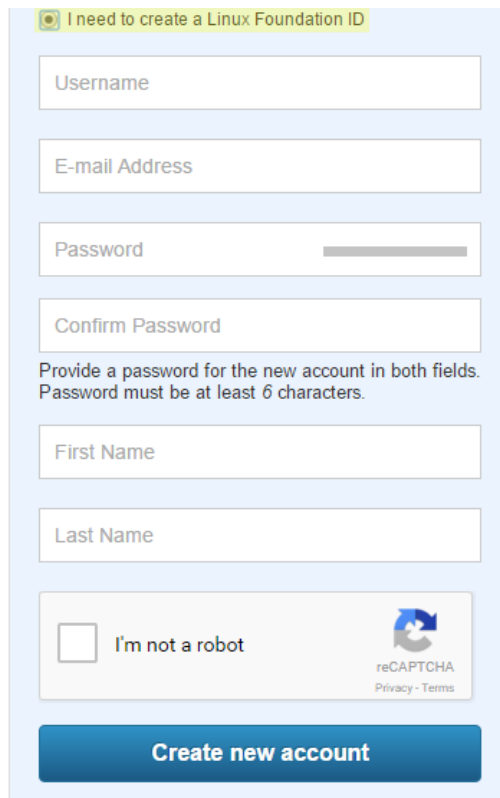

To make use of the Linux Foundation training portal you have to create a Linux Foundation Account. Follow these steps to create a Linux Foundation account.

1. Go to the Linux Foundation ID website at <https://identity.linuxfoundation.org>
2. Select the option „I need to create a Linux Foundation ID“

The screenshot shows the login interface for the Linux Foundation ID website. At the top, there are three social login options: "Log in with Facebook", "Log in with Google", and "Log in with GitHub". Below these is a horizontal line with the word "Or" in the center. Underneath, there are two radio button options: "I already have a Linux Foundation ID" (which is selected) and "I need to create a Linux Foundation ID" (which is highlighted in yellow). Below the radio buttons are two input fields: "Username" and "Password". At the bottom of the form is a large blue "Log in" button and a smaller link that says "Request new password".

3. Fill out the form that appears:

The screenshot shows a web form for creating a Linux Foundation ID. At the top, there is a yellow banner with a magnifying glass icon and the text "I need to create a Linux Foundation ID". Below this, the form contains several input fields: "Username", "E-mail Address", "Password" (with a strength indicator), and "Confirm Password". A note below the password fields states: "Provide a password for the new account in both fields. Password must be at least 6 characters." Below the password fields are fields for "First Name" and "Last Name". At the bottom of the form is a reCAPTCHA widget with the text "I'm not a robot" and a checkbox. To the right of the reCAPTCHA is the reCAPTCHA logo and the text "reCAPTCHA Privacy - Terms". At the very bottom of the form is a blue button with the text "Create new account".

4. Open your email account and look for a message with the subject line: "Validate your Linux Foundation ID email".

5. Open the received URL to validate your email address.

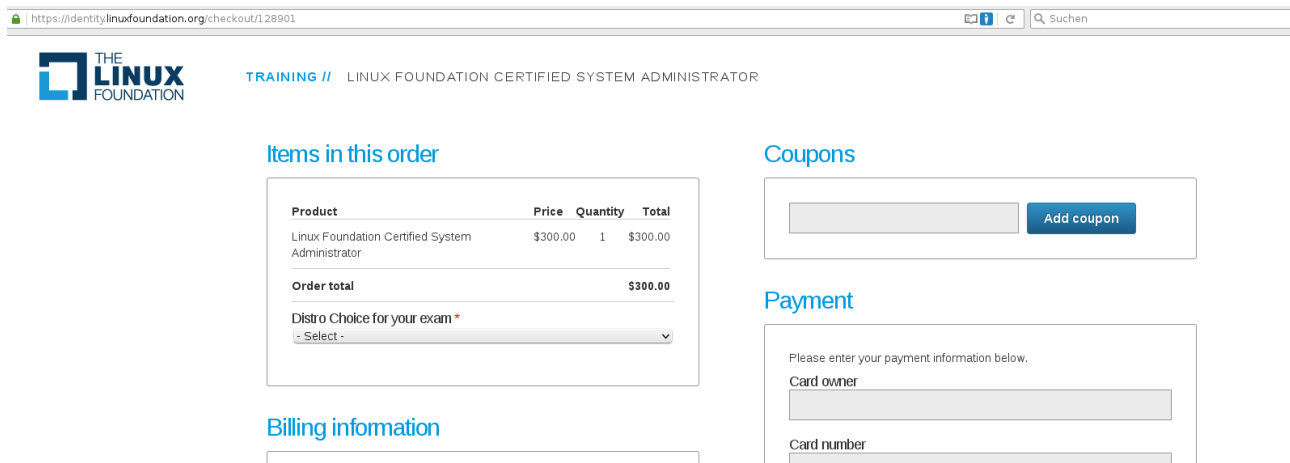

6. Verify the browser displays the message „You have successfully validated your e-mail address“.

7. Log into you account at <https://identity.linuxfoundation.org>

Step 2: Register your Linux Foundation Certification

When you ordered your Linux Foundation Certification you should have received a Coupon Code and the URL for the specific website for the registration of your Certification. Follow these steps to redeem the Coupon Code and to register your Linux Foundation Certification.

1. Go to the specific website at **<https://training.linuxfoundation.org/go/lfcs-single-pid>**

The screenshot shows the checkout page for the Linux Foundation. The browser address bar displays <https://identity.linuxfoundation.org/checkout/128901>. The page header includes the Linux Foundation logo and the text "TRAINING // LINUX FOUNDATION CERTIFIED SYSTEM ADMINISTRATOR".

Items in this order

Product	Price	Quantity	Total
Linux Foundation Certified System Administrator	\$300.00	1	\$300.00
Order total			\$300.00

Coupons

There is an empty input field for a coupon code and an "Add coupon" button.

Payment

Please enter your payment information below.

Card owner: [input field]

Card number: [input field]

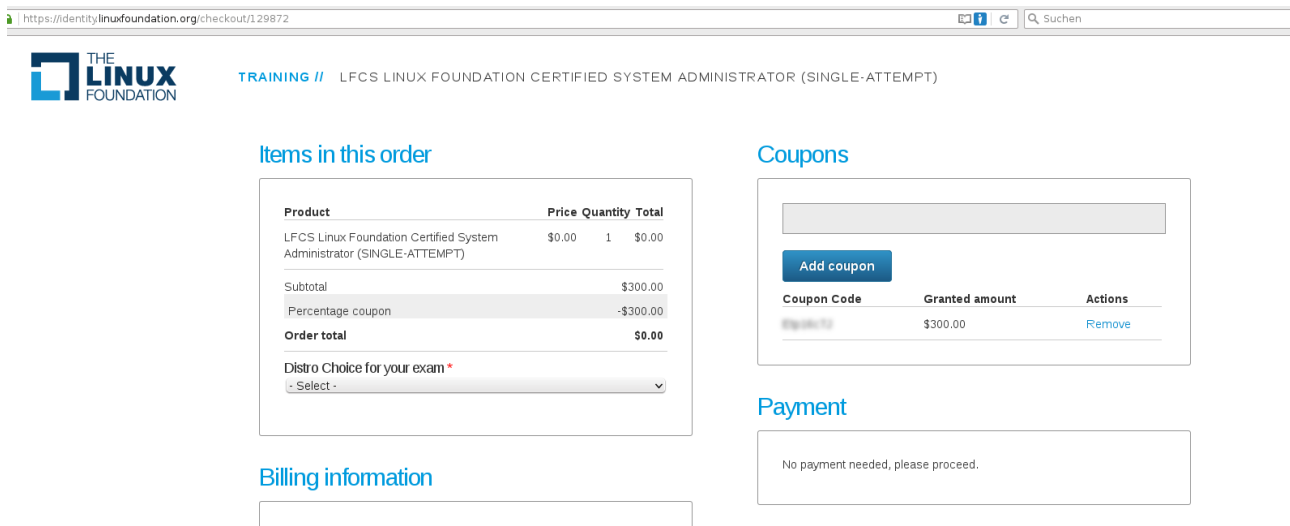

Billing information

[input field]

Distro Choice for your exam *

[Select -]

2. Put in your Coupon Code at the field „Coupons“ and click on „Add coupon“

The screenshot shows the checkout page after the coupon has been applied. The browser address bar displays <https://identity.linuxfoundation.org/checkout/129872>. The page header includes the Linux Foundation logo and the text "TRAINING // LFCS LINUX FOUNDATION CERTIFIED SYSTEM ADMINISTRATOR (SINGLE-ATTEMPT)".

Items in this order

Product	Price	Quantity	Total
LFCS Linux Foundation Certified System Administrator (SINGLE-ATTEMPT)	\$0.00	1	\$0.00
Subtotal			\$300.00
Percentage coupon			-\$300.00
Order total			\$0.00

Coupons

There is an input field containing a coupon code, an "Add coupon" button, and a table showing the applied coupon.

Coupon Code	Granted amount	Actions
[Coupon Code]	\$300.00	Remove

Payment

No payment needed, please proceed.

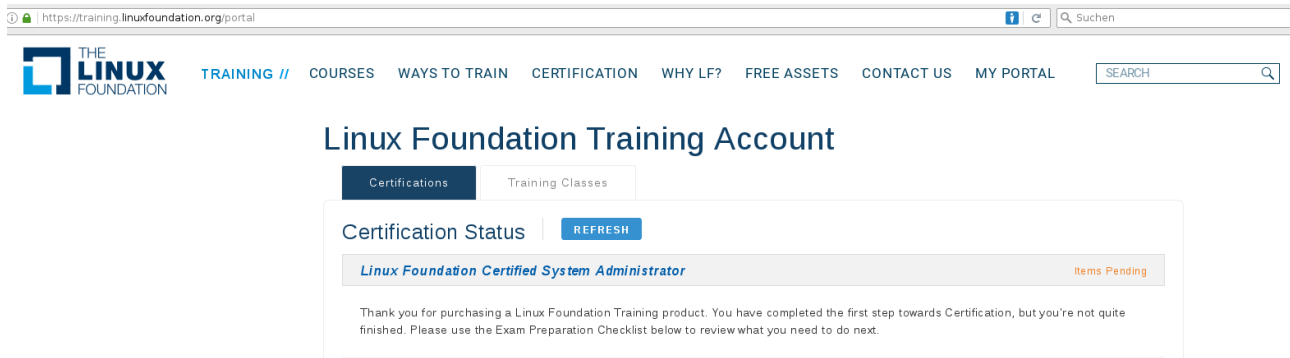

Billing information

[input field]

Distro Choice for your exam *

[Select -]

3. The price of the selected Certification should change to 0 USD and at „Payment“ you should find the remark „No payment needed, please proceed“.
4. Fill out all mandatory fields and click on „Proceed with order“
5. You will then be forwarded to the website with your Linux Foundation certification and training account.
